

UniFlex Rapid Deployment Fabric End-Wall Shelter

The UniFlex Fabric End-Wall accordion folded plastic shelters are self supporting and easy to set up in less than a minute, making them the ideal solution to the universal need for fast, fully enclosed portable structures.

Our UniFlex Fabric End-Wall shelter is constructed from high density polypropylene with integral fabric end walls including built-in zippered windows and doors

UniFlex Fabric End-Wall Key Advantages

Storage : A collapsed 10 X 14 pre-assembled unit takes up only 36 cubic feet (6'X6'1') of space.

Sizes : Ten distinct sizes to choose from, ranging from 100 sq. ft. to 220 sq. ft. of usable floor space.

Affordable : Compare the cost per sq. ft. of space. Consider the ease of set-up and there is no comparison. The UniFlex shelter gives you the most for the least !
