

PVP CORRUPAD PACKS

You could
save 40%
on your
packaging
costs

FEATURES

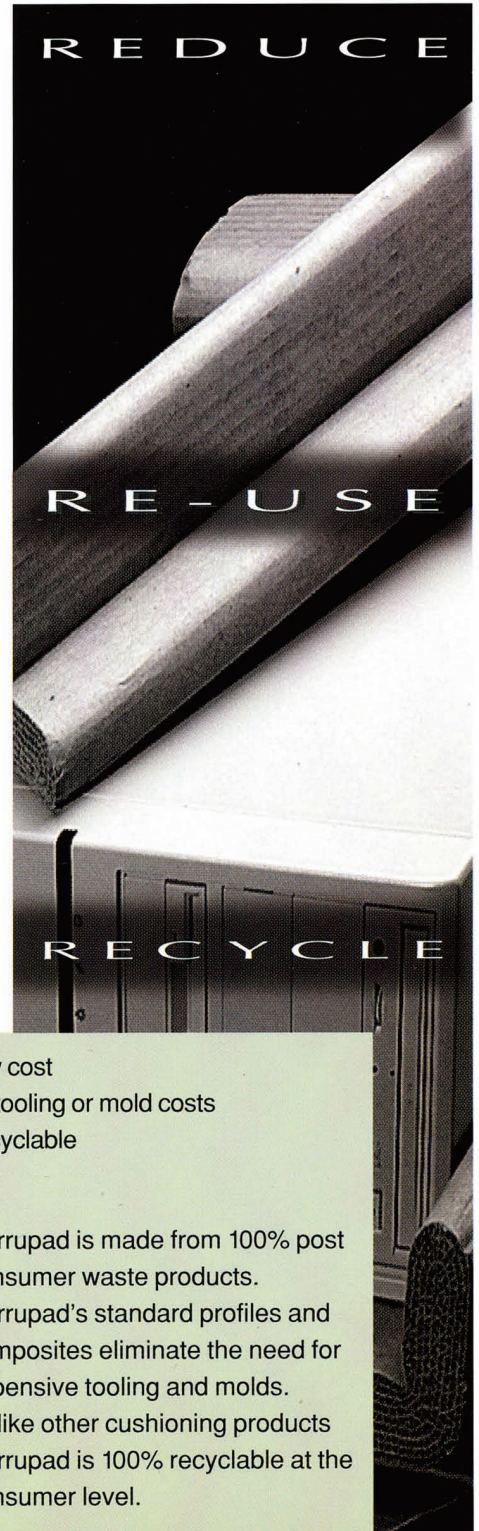

- Excellent cushioning properties
- Product construction provides superior load bearing capabilities

BENEFITS

- Corrupad protects sensitive equipment from shock and vibration.
- Corrupad's superior load bearing capabilities provide safe storage for your product when stacked in multiple layers, as well as greater use of storage space.

- Low cost
- No tooling or mold costs
- Recyclable

- Corrupad is made from 100% post consumer waste products.
- Corrupad's standard profiles and composites eliminate the need for expensive tooling and molds.
- Unlike other cushioning products Corrupad is 100% recyclable at the consumer level.
